

FISCAL NOTE

SB 2534 - HB 2488

February 1, 2000

SUMMARY OF BILL: Amends the Health Care Consumer Right to Know Act by adding registered nurse anesthetists. Professionals who are covered by the act have profiles posted on the Internet by the Department of Health.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures -	\$5,900 Recurring
	\$2,000 One-Time
Increase State Revenues -	\$7,900

There are approximately 1,200 certified registered nurse anesthetists. Assumes an increase in expenditures for software development, printing and postage to add this group to the Internet database. Also assumes that license fees will be set at a level to generate sufficient revenues to offset increased expenditures.
